This packet serves as a resource to research international internships and work experience abroad.

There are a few things to keep in mind while you are searching: A large percentage of internships are unpaid and some require tuition and fees. Some internship programs assist with housing, and some internships require fluency or a destination country.

For more information, be sure to visit the Michelin Career Center located on the Third Floor of the Hendrix Center.

Clemson University Michelin® Career Center

Internship Program
Michelin® Career Center
B0x 344007, Clemson, SC
